www.pmcu.org

This Rate and Fee Disclosure explains current terms, rates and fees applicable to the savings, checking and certificate accounts we offer. We may offer other rates and require other fees or amend the rates and fees, as explained in this disclosure, from time to time. Each owner on an account agrees to the terms described in this Rate and Fee Disclosure and acknowledges that it is a part of the Member Service Agreement (MSA). **All rates are subject to change. Fees can reduce earnings.**

BUSINESS ACCOUNTS						
Membership Share Business Savings	0.20%	0.20%	\$5	None	Monthly	Monthly
Business Checking	--	--	\$100	None	N/A	N/A
Business Executive Checking **	0.05%	0.05%	\$100	\$5,000	Monthly	Monthly

*For Earn Big Free checking, in order to qualify for tiered rates certain account and transaction criteria must be met; if qualifications are not met a flat rate applies.

** For and Business Executive Checking, there is a \$20.00 monthly fee if the average daily balance falls below \$5,000.

Explanation of Rates & Fees

As explained in the MSA, this Rate and Fee Disclosure applies to all the accounts we offer. Except as specifically described, the following terms apply to all of the accounts you have with us.

1. Rate Information

The Dividend Rate and Annual Percentage Yield on the accounts you have with us are identified above. For all accounts except certificates, the Dividend Rate and Annual Percentage Yield may change monthly as determined by the Board of Directors. Money Market accounts are Tiered Rate Accounts. For Money Market Accounts, the specified Dividend Rate for a tier will apply only to the portion of the account balance that is within that tier. The range of Annual Percentage Yield(s), which vary depending on the balance in the account, are shown for each tier. The Dividend Rates and Annual Percentage Yields are the prospective rates as of the effective date shown above. For Certificate Accounts, the Dividend Rate and Annual Percentage Yield are fixed and will be in effect for the term of the account. For Certificate Accounts, the Annual Percentage Yield is based on an assumption that dividends will remain on deposit until maturity. A withdrawal of dividends will reduce earnings.

2. Nature of Dividends

Dividends are paid from current income and available earnings after required transfers to reserves at the end of a dividend period. The Dividend Rate and Annual Percentage Yield identified above are the rates and yields for the last dividend period, as shown above.

3. Compounding and Crediting

Dividends will be compounded and credited as identified above. For dividend bearing accounts, the Dividend Period begins on the first calendar day of the period and ends on the last calendar day of the period.

4. Accrual of Dividends

Dividends will begin to accrue on noncash deposits (e.g., checks) on the business day you make the deposit to an account you have with us. If you terminate the account before accrued dividends are credited, accrued dividends will not be paid.

5. Balance Information

The minimum balance required to start each account and earn the stated Annual Percentage Yield is identified above. If you do not maintain the minimum balance, you will not earn the stated Annual Percentage Yield. For all savings, checking and club accounts, dividends are calculated using the Average Daily Balance method, in which dividends are calculated by applying a periodic rate to the Average Daily Balance in the account for the dividend period. The Average Daily Balance is determined by adding the full amount of principal in the account for each day of the period, and dividing that figure by the number of days in the period. For Money Market Accounts, dividends are calculated by using the Daily Balance method, which applies a daily periodic rate to the balance in the account each day.

6. Account Limitations

Money Market accounts are limited to one account per primary Social Security Number. For all Share Savings and Money Market accounts, no more than six (6) preauthorized, automatic or telephone transfers may be made per month from these accounts to another account you have with us or to a third party. If you exceed these limitations, the account may be subject to a fee or be terminated. For a Holiday Club account, the entire balance will be paid to you by check or transferred to another account of yours on or after November 1 and the account will remain open.

7. Certificate Account Features

a. Account Limitations

After you start the account, you may not make additional deposits to a Certificate Account, after the first ten (10) days grace period.

b. Maturity

The Certificate Account you have with us will mature on the maturity date identified on your Account Receipt or Renewal Notice.

c. Early Withdrawal Penalty

We may impose a penalty if you withdraw any of the principal of the Certificate Account before the maturity date.

i. Amount of Penalty. The penalty will equal 90 days dividends on your account if the original term is one year or less, and 180 days dividends if the original term is more than one year. No early withdrawal penalty will be assessed for withdrawal of dividends prior to maturity; however withdrawal of dividends prior to maturity will reduce earnings.

ii. How the Penalty Works. The penalty is calculated on the amount of early withdrawal; however, if the account balance falls below the minimum required balance, the account will be terminated and the penalty calculated on the entire balance. If earned dividends have previously been withdrawn, the penalty will be deducted from the principle balance.

iii. Exceptions to Early Withdrawal Penalties. At our option, we may pay the account before maturity without imposing an early withdrawal penalty under the following circumstances: when an owner on an account dies or is determined legally incompetent by a court or other body of competent jurisdiction. Where the account is an Individual Retirement Account (IRA) and any portion is paid within seven (7) days after establishment or where the account is an IRA and the owner attains age 59½ or becomes disabled and begins making periodic withdrawals.

d. Renewal Policy

Certificate Accounts are automatically renewable accounts. Automatically renewable accounts will renew for another term upon maturity. You have a grace period of ten (10) days after maturity in which to withdraw funds in the account without being charged an early withdrawal penalty. Dividends will not be earned during the grace period if funds are withdrawn during the grace period.

e. Nontransferable/Nonnegotiable

The account(s) you have with us is/are nontransferable and nonnegotiable. This means that an account and the funds in the account may not be pledged to secure any obligation of an owner, except obligations with the Credit Union.

Your savings are federally insured to at least \$250,000 by NCUA - National Credit Union Administration. PMCU is an equal opportunity Lender. Printed on Recycled Paper.
